

## BISHOP LEECH OFFICIATES AT SPECIAL MASS THIS MORNING

With centuries-old ritual, the observance of the 100th anniversary of the dedication of St. Francis Xavier Catholic Church came to a climax at 11 o'clock this morning with a solemn Pontifical Mass of Thanksgiving sung by Bishop George L. Leech, of Harrisburg.

The sermon was delivered by Very Rev. Edward B. Bunn, S.J., A.B., Ph.D., LL.D., president of Georgetown University, Washington, D. C.

Approximately 100 clergymen, including the priests' choir of the Harrisburg diocese, about 60 nuns, most of whom at one time were teachers here, and Fourth Degree Knights of Columbus, wearing white plumed hats and swords, joined the members of the congregation in the solemn mass of thanksgiving for a century of "blessings, both spiritual and material," as Bishop Leech described it at a service Sunday evening.

**Colorful Service**

The glittering golden vestments of the bishop and the other officers of the mass; the scarlet robes of monsignori; the red cassocks and white surplices of the altar boys; the black cassocks and white surplices of many priests; the various habits of the nuns, including the flaring white headresses of the Sisters of Charity, and the gleaming newly decorated interior of the church and the high ivory altar, with its bright painting showing St. Francis Xavier and the peoples of the world and the local church and its congregation, made the mass a colorful spectacle.

The special services commemorating the anniversary included the blessing of the statues, windows, tabernacle, paintings and other furnishings of the church Sunday evening by Bishop Leech.

### Solemn Benediction

The Sunday services concluded with a solemn benediction with Bishop Leech as the celebrant. Chaplains for the service were the Very Rev. Edward B. Bunn, S.J., and Rev. Albert H. Waible, C.S.S.R., vice pastor for the cause of the Venerable Bishop Neumann, who laid the cornerstone of St. Francis Xavier Catholic Church and dedicated it 100 years ago and who is in the process toward being declared a saint by the Catholic church.

Fr. Cyril Alwine, pastor of St. Andrew's Catholic Church, Waynesboro, and former principal at Delone High School, was deacon. Subdeacon was Fr. William Michelmann, of Georgetown University; master of ceremonies was the Rev. George W. Rost, secretary to Bishop Leech. Other priests in the sanctuary for the service included the Rt. Rev. Fr. Lawrence F. Schott, V.F., pastor of Our Lady's Church of Mt. Carmel; Rev. Fr. Anthony P. Kane, pastor of St. Francis Xavier.

## Bishop Leech's Sermon

The following is the text of the sermon delivered Sunday evening in St. Francis Xavier's Catholic Church by the Most Rev. George L. Leech, LL.D., Bishop of Harrisburg:

"The name of Gettysburg is forever associated with the United States of America. To America Gettysburg is the symbol of God's provident and merciful will that we, as a nation, shall remain united and in our union free. And here in Gettysburg today we pray that God may give to our America, as only God can give, the wisdom to recognize our utter dependence upon Him, and, in our common brotherhood, our mutual dependence upon one another. God inspire us Americans with such a loyalty to Him and to one another for His sake that He may find us worthy to be preserved as a nation ever united and ever strong."

## Monsignor Bunn's Sermon

The following is the text of the sermon delivered at the Pontifical High Mass at St. Francis Xavier's Catholic Church this morning by the Very Rev. Edward B. Bunn, S.J., A.B., Ph.D., LL.D., president of Georgetown University, Washington, D. C.:

"This is the house of the Lord solidly constructed whose firm foundation rests on an immovable rock. These are the words of the Antiphon of the Vespers of the Divine Office recited on the feast of the dedication of a church."

"This is a day of jubilee and jubilation. We celebrate the glorious history reaching far into the early days of American Catholicity. Few churches in the world can boast of an heritage uniting the divine with the highest and noblest efforts of man as the Church of Saint Francis Xavier. It has a missionary

origin going back to days of the Patron of the Missions, Saint Francis Xavier, who opened the vast and mysterious Orient to the labors of a multitude of zealous apostles.

**"Inspired By Saint"**

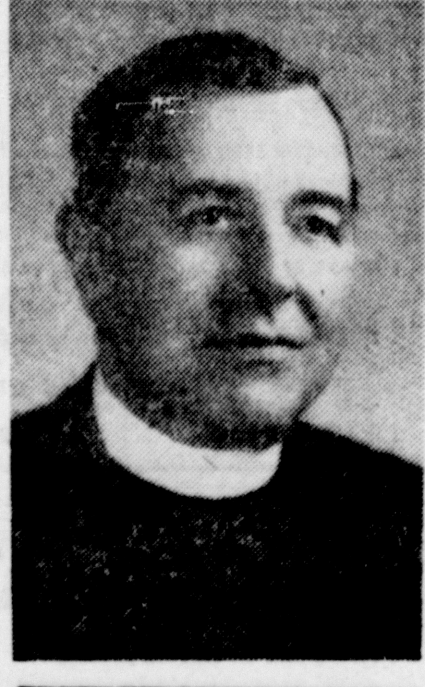

"Nay, more, since this Saint drew his inspiration from the work of Saint Thomas, the Apostle of India, we may rightly say that your church can trace its lineage directly to that great companion of Christ Himself while the latter walked upon this earth and conferred upon His Apostles all spiritual power to spread the Gospel to the outermost parts of the world. Go and teach ye all nations, baptizing them in the name of the Father, Son, and the Holy Ghost, and behold I am with you all days even to the consummation of the world."

"To do a semblance of justice to my subject in describing your

## Three Injured On Bonneville Curve

Three persons were injured and damage totaled \$1,000 when two cars collided in Bonneville, at the curve at the western end of the community, at 2:55 o'clock Sunday afternoon.

Leo Franklin Weller, 24, Thurmont R. 2, was driving east and Benjamin J. Sneringer, 19, of Bonneville, was headed west when the two cars collided.

All of the injured were in Weller's car. Mrs. Mary Weller, 51, mother of the driver, suffered a fractured nose and bruises of the left arm. Miss Ella Eyer, 58, Thurmont R. 1, had a fracture of the left leg and her daughter, Miss Jean Eyer, 19, suffered lacerations of the lower lip and had two teeth knocked out. All were brought to the Warner Hospital here by ambulance.

## 2 ARE INJURED, DRIVER CHARGED AFTER CRASH

Two men were injured Saturday night at 9:40 o'clock when their car left the road, sideswiped a pear tree and smashed into the spring house and workshop of Martin T. Walter, Biglerville R. D.

State Police, who investigated, said John J. Routson, 39, York, was driving one mile west of Biglerville on the Arendtsville Rd., when the auto ran off the left side of the road when the operator attempted to make a right curve. The vehicle came to rest when it hit the workshop. Damage to the car was estimated at \$2,000 and an additional \$1,000 damage occurred to the Walter property.

Routson suffered a fracture of the left collarbone and was treated at the Warner Hospital. A companion in the car, George Strausbaugh, 49, York, suffered a broken left knee cap and lacerations of the forehead and was admitted to the hospital. Both were brought here by passing motorists, J. H. Heller, Biglerville R. 2.

Routson was charged before Justice of the Peace Robert P. Snyder with driving under the influence of alcohol and was placed in the Adams County jail in default of \$500 bail for a hearing at 10 o'clock Tuesday morning.

## IS CALLED TO HANOVER PULPIT

The Rev. Edgar D. Zeigler, Bloomsburg, where he was pastor of St. Matthew's Lutheran Church since 1945, has accepted a call to be pastor of St. Mark's Lutheran Church, Hanover, effective October 1. The call was issued to the minister following a trial sermon in St. Mark's on August 30.

He succeeded the Rev. Dr. John S. Tome, who resigned December 2 after 28 years at St. Mark's, announcing he would retire from active ministry because of his health. He has been serving the church until his replacement could be chosen. Dr. Tome will remain in Hanover after retirement.

The new pastor is a native of Lower Windsor Township, York County, where he was born August 17, 1911. He was educated in York public schools and was confirmed in Augsburg Lutheran Church, now a part of St. Paul's, York. A graduate of Gettysburg College in 1933 and the Lutheran Seminary in 1936, he was ordained by the West Pennsylvania Synod in January of the following year.

The Rev. Mr. Zeigler, before his pastorate at Bloomsburg, was assistant pastor of Luther Place Memorial Church, Washington, from July, 1936, to March, 1938; pastor of Messiah Lutheran Church, Downingtown, from that time to September, 1939, and associate pastor of St. Paul's Lutheran Church, Columbia, S. C., from September, 1939, to October, 1945.

## PTA Hospitality Committee Listed

Mrs. William G. Weaver and Mrs. Donald Scott are co-chairmen of the Hospitality Committee for the Gettysburg Parent-Teachers Association. It was announced today by Mrs. Charles Smith, president.

The other members of the committee are Miss Jean Biggs, Miss Louise Ramer, Mrs. Anna Heintzelman, Mrs. Frederick Tilberg, Mrs. Edward B. Bullett, Mrs. Richard Drees, Mrs. C. H. Johnson, Mrs. E. J. Nowicki and Mrs. Granville Schultz. The committee will arrange refreshments for the opening meeting on September 24 and for the other monthly meetings throughout the year.

## Mercury, Showers Fall Over Weekend

Taking a 48-degree dive from last week's high of 102 degrees, the official temperature here Sunday night reached a low of 54 degrees. Sunday's high of 64 degrees made it the coolest day here since May 31.

The drop in temperatures was accompanied by welcome showers that began falling shortly after noon on Saturday. The weekend rainfall total was 1.26 inches here.

The rainy weekend spoiled plans for outings on the last big holiday weekend of the summer season but clearing skies this morning promised better weather today.

The weekend showers were the first rain of any consequence to fall here since August 9.

## JESSE JAMES JAILED

Jesse James spent Friday night in Adams County jail.

Jesse James, not the famed bandit, but an Alois, Fla., itinerant worker whose last name is Lisle, ran afoul of the Gettysburg borough police Friday and went to jail on a reckless driving charge filed before Justice of the Peace Robert P. Snyder. He was released next morning to appear for a hearing.

## Asks Cops To Chase Devil

Borough police were called at 10:15 o'clock by a Chambersburg St. woman who asked that they "come right away." Upon arrival, according to the police report, they found the lady wanted them to take the "devil" out of her television set. They advised her the best way to get rid of the "devil" was to turn off the set and go to bed.

## Adenauer Gets Sweeping Vote To Swamp Red Foe In Reich

**By JOHN SCALI**

WASHINGTON (AP)—American officials joyfully hailed Chancellor Konrad Adenauer's German election victory as a massive diplomatic defeat for Russia and a powerful gain for Western unity.

President Eisenhower, vacationing in Denver, was expected to send a message of congratulations to the West German leader, reflecting the keen satisfaction felt by his entire administration.

Secretary of State Dulles, who warned Thursday an Adenauer defeat would be a disaster, said "I'm not surprised" when informed Adenauer's pro-Western forces had won a sweeping victory.

Dulles made this comment at the airport in Denver after arriving by plane for a round of secret foreign policy talks with the President.

### Smashing Triumph

If Dulles was not surprised, most of his aides were.

Adenauer's smashing triumph far exceeded the most optimistic prediction of key officials who nervously awaited returns last night, wondering whether Dulles' last-minute endorsement of Adenauer might boomerang. Adenauer's opponents had denounced Dulles' action as meddling in West Germany's internal affairs.

As the vote for Adenauer's coalition swelled to landslide proportions, however, officials here grew progressively more certain Dulles' unscheduled support did not cost

## Fairfield Boy May Have Polio

Shortly before noon today hospital authorities told The Gettysburg Times the diagnosis has not been completed but that the youth's condition is "unsatisfactory."

The possibility of a second case of polio was reported this morning with the admission of the seven-year-old John F. Murdorff, of North York, to the hospital. Murdorff, who was taken to the hospital by ambulance, is being treated in the pediatric ward.

On Saturday evening the youngster's father, Norman Murdorff, Fairfield R. D., visited Dr. Ira M. Henderson, Fairfield, requesting that he prescribe for his son, ill with a sick stomach. Dr. Henderson gave the father medicine and requested that he be advised of the boy's condition. On Sunday evening, the father again contacted Dr. Henderson who then visited the Murdorff home, examined the child, and suspecting the possibility of polio sent the child to the Harrisburg Hospital.

No definite confirmation of the diagnosis has yet been announced. This is the second case of polio reported in Adams County. Five-year-old Sherry Ann Taylor, Aspers, died suddenly of bulbar polio on Wednesday, August 26, after suffering for several days from what was described as a "slight cold."

## FIRE ASSN. NET IS NOW \$14,846

Total net worth of the Adams County Firemen's Association is \$14,846.73, according to the auditors' report presented this morning at the 31st annual convention of the association being held today at Bonneville.

Receipts during the year totaled \$4,083.72 including a balance of \$1,384.58 from the previous year. The largest amount, \$1,590.50, was from per capita dues paid by the various fire departments and \$741.14 year book receipts.

Expenses totaled \$1,843.23 including \$1,200 in death benefits. Much of the \$14,846.73 net worth is in the form of U. S. Savings Bonds with the report showing the association's net worth at \$14,846.73.

For three years, Allied Intelligence officers have compiled a list of men believed to have been captured.

Operation Big Switch returned 3,597 Americans, Operation Little Switch in April returned 149. Some Americans died in camp.

The list, minus the names of all those men, will be handed the Communists shortly with the demand that they produce or account for the missing men.

The last group of returned Americans added a bitter finale to a month of stories of brutality in Red stockades.

## COUNTY COUPLE MARRIED HERE FRIDAY NIGHT

Miss Doris Jean King, daughter of Mr. and Mrs. C. Edgar King, New Oxford R. 2, was married in a double ring ceremony Friday evening at 10 o'clock to Donald Dudley Myers, son of Mr. and Mrs. Harold C. Myers, York Springs. The wedding was performed by Rev. Edward C. Kortz, chaplain of Gettysburg College, in Christ Lutheran Church before an altar decorated with potted palms and white gladioli.

The bride wore a white floor-length gown of net over taffeta, fashioned with a lace bodice, illusion neck-line and short sleeves. Her fingertip veil was fastened to a head piece of fleur d'amour, and she carried a white Bible with streamers of sweetheart roses, topped with a white orchid.

### Live In Millersville

The maid of honor, Miss Helen Tosten, East Berlin R. 2, wore an aqua ballerina length strapless gown of net over taffeta, with a matching net head piece. Miss Tosten carried a bouquet of colonial flowers. The best man was Theodore Myers, East Stroudsburg.

Traditional wedding music was played by Mrs. Felix Sanders, of New Oxford.

The bride was a graduate with the class of 1953 of East Berlin High School. The groom graduated from Biglerville High School with the class of 1952.

Immediately following the ceremony, the couple left for their home in Millersville, where the groom will continue his second year of school at Millersville State Teachers' College.

## GARDNER FACES MORE CHARGES

Three more charges against Robert Lewis Gardner, 22, York Springs R. 2, have been filed by police as a result of his wild chase through Hanover and McSherrystown Thursday morning.

State police from the local substation have filed charges before Justice of the Peace John H. Basehore: That Gardner turned out lights to avoid identification in Conewago Twp.; contributed to the delinquency of a 15-year-old male minor, and furnished intoxicating liquors to a minor.

Previously, Hanover police had charged Gardner with failing to stop at the scene of an accident, failing to reveal identity, reckless driving, operating a vehicle on a barricaded highway, failing to stop at a stop sign, damaging state property and turning off lights to avoid identification.

The trio of additional charges bring to 11 the number of informations against Gardner as a result of the wild escape in which he was chased by police, ran through barricades, knocked down a traffic sign, and finally fled his car when it blew a tire. His 15-year-old companion was left behind in the car when Gardner fled.

### MARRIAGE LICENSES

Marriage licenses have been issued at the Court House to the following couples:

William B. Wilson, son of Mr. and Mrs. John G. Wilson, Biglerville R. 1, and Lois C. Musselman, daughter of Ivan Z. Musselman, Oortanna.

Benjamin Lockard Hartley, U. S. Air Force, son of Mr. and Mrs. Benjamin L. Hartley, University City, Mo., and Sue Ellen Taylor, daughter of Mr. and Mrs. Murray C. Taylor, Baltimore, Md.

## Reds Are Told To Produce Or Account For Missing Yankees

**By SAM SUMMERLIN**

SEOUL (AP)—Americans freed on the final day of Operation Big Switch boarded a troopship for home today while fears mounted that the Communists had not sent back all Americans who wanted to return.

The U. N. Command prepared to hand the Communists a list of "missing" persons—men like Capt. Harold Fischer of Sweeney City, Iowa. Fischer, a Sabre jet pilot, shot down 10 MIGs before failing to return from a mission over North Korea April 7, 1953.

Two days later Peiping radio said Fischer had been captured. Yet the big Korean War prisoner exchange ended Sunday and Fischer was not among the last 111 Americans freed.

## Driver Hurt When Car Runs Off Road

Garland W. Baker, 32, R. 2, suffered lacerations of the face and a spinal injury after his car ran off the west side of the road two miles south of here on the Emmitsburg Rd. at 8:30 o'clock Saturday night.

State Police, who investigated, said the car went into a ditch after running off the road, and went out of control, finally coming to a stop straddling a culvert. Damage to the vehicle was estimated at \$300.

## AGED FAIRFIELD RESIDENT DIES SUNDAY NIGHT

Mrs. Jennie McClellan, 85, a lifelong resident of Fairfield, died Sunday evening at 8:30 o'clock. Her husband, the late William McClellan, preceded her in death in 1920. She was the daughter of the late William and Eliza Anderson Richardson.

The deceased was a member of Zion Lutheran Church, Fairfield, and a life member of the Woman's Missionary Society of that church. She is survived by 14 children: Clara C. Fairfield; Mrs. Pearl Strawn, Twin Bridges, Montana; Hoy H. Oortanna; Mrs. Lillian Seifert, Charming; John, Oortanna; Mrs. Ruth Slonaker, Fairfield; Mrs. Marie Hartzell, Fairfield; Robert, Biglerville; Mrs. Lake O'Connor, Long Island, New York; Rowan S. Cumberland; Mrs. Iva Wilkens, Chumchilla, California; Mrs. Mary Hutchins, Highland Park, Illinois; Mrs. Esther Rinalducci, Philadelphia; Mrs. Louise Hess, Asheville, N. C.

### Funeral Wednesday

Six brother and sisters also survive: Mrs. Elizabeth Seifert, Fairfield; Mrs. Margaret Reese, Fairfield; Mrs. Alice Sanders, Biglerville; Harry Richardson, Oortanna; Edward, Iron Springs; Marshall, Sharpsho, Md.

Funeral services Wednesday afternoon at 2 o'clock at the Allison Funeral Home, Fairfield, with Rev. Dr. Norman S. Wolf officiating. Interment in Fairfield Union cemetery.

Friends may call at the Allison Funeral Home Tuesday evening after 7 o'clock.

## 48 New Students Coming To Seminary

Approximately 48 incoming students at Gettysburg Lutheran Theological Seminary will begin an orientation program on Tuesday morning at 9 o'clock with services in the Church of the Abiding Presence. Rev. Francis Reinberger, professor of practical theology at the seminary, will conduct the service.

During the day the incoming students will be occupied with conferences, meetings with the seminary professors and introduction to courses, procedures, library activities and other facilities.

The formal opening of the seminary will take place on Wednesday morning at 10 o'clock with Dr. Harry F. Baughman, president of the seminary, delivering the opening address. Total enrollment will be approximately 130 students.

### FILES NEW CHARGES

A charge of destroying property has been filed before Justice of the Peace John H. Basehore by John Lochbaum R. 3, against Joseph Topper, Fairfield R. D. Topper had been arrested by state police on a process from Adams County Court Tuesday and was placed in jail at that time to appear before the court. The new charge, placed by Lochbaum, claims Topper cut the brake hose on Lochbaum's car.

## Baltimore Trucker Plunges 125 Feet To Death Saturday Night In Bethlehem Quarry

**1 Killed, 8 Hurt, 19 Vehicles In Weekend Mishaps**

One person was fatally injured, eight others received less serious injuries, 18 cars and one truck were involved and damages totaled \$25,028 in ten accidents investigated by state police of the local sub-station between noon Saturday and this morning.

All told 12 accidents were investigated by state police over the weekend, starting with one at 4 o'clock Saturday morning and another at about 6:30 o'clock that morning which had been previously reported and are not included in the figures listed above for the weekend crashes.

**Driver Thrown Out**

The trailer and tractor fell 125 feet to the bottom of the quarry owned by the Bethlehem Quarry Co., and landed on its wheels headed north.

The doors of the tractor were thrown open by the impact and Murphy apparently was thrown out of the vehicle. He was found under the left running board of the tractor.

## 6 VEHICLES IN NEARBY CRASH ON SATURDAY

The rain and the attempts of a driver to make a left turn resulted in a six-car accident Saturday afternoon six miles south of here on the Emmitsburg Road, near the Marsh Creek bridge.

An unknown driver, heading a long line of traffic, stopped preparatory to making a left turn into the road leading back to the north side of the stream at Marsh Creek Heights, police said.

John Engstrom, DuBois, who was following, also stopped. Aaron Martin, 25, Elizabethtown, skidded and hit Engstrom. He had attempted to turn when he saw the crash coming and the rear of his car ended up against the bank at the side of the road, with his vehicle partway out on the highway.

Another unknown driver, trying to pass Martin, hit the latter's vehicle, but continued on without stopping.

### Damage Totals \$1,700

Charles W. Ives, 34, Falls Church, Va., coming on the scene at that moment, stopped his car before he hit anyone, but Frederick Holt, 37, Harrisburg, who was following Ives, hit the Ives car in the rear. That sent the Ives car out of control down the highway where it came to a halt sideways on the highway, near the Martin car, thus completely blocking off the road.

About this time Edward Blythe, 37, New Brunswick, N. J., tried to stop, skidded and weaved through the mass of vehicles and finally struck the right rear side of the Martin car before he was able to stop.

No one was hurt. Damages were listed as follows: car that stopped first, none; Engstrom, \$50; Martin, \$600; unknown car, unknown; Ives, \$300; Holt, \$700 and Blythe, \$50, or a total of \$1,700.

## WILL DEDICATE CHURCH AT YORK

Dr. Harry F. Baughman, president of the Lutheran Theological Seminary, will deliver the sermon Sunday, September 13, at the dedicatory services of the Luther Memorial Church, York. At the same services Dr. William C. Waltemyer, head of the Bible department of Gettysburg College, will offer the invocation and read the introit and Collect.

Dedicatory activities will begin on September 13 at 10:30 a.m. and extend through Monday and Tuesday with Lutheran Fellowship services and Community services scheduled for 7:30 p.m. on those days. The sermon at the Tuesday services will be preached by the Rev. Wallace E. Fisher, pastor of Trinity Church, Lancaster, a former pastor of Christ Lutheran Church, Gettysburg.

The new edifice, of which Rev. George E. Stauffer is pastor, was constructed at a cost of \$125,000. It has a capacity of 192 in the nave, 21 in the choir, and 223 in the basement. Ground breaking services were held June 8, 1952, with the cornerstone laying on October 26 of the same year.

### CAR STRIKES POLE

A car operated by Eric J. Phinn, 28, Brooklyn, N. Y., and owned by Lorraine E. Poitte, Brooklyn, failed to negotiate a curve 2.7 miles north of York Springs and struck a utility pole. Damage to the car totaled \$400 and to the pole \$50.

## TWO SABRE JETS, HELICOPTER TO SEEK NEW MARKS

DAYTON, Ohio (AP)—Two Sabre jets and a helicopter try for new world speed records at the National Aircraft Show today. The helicopter also will seek a new altitude mark.

Featured event is the race against time by Brig. Gen. J. Stanley Holtzner, 42, commander of Edwards Air Force Base, Calif., in the annual Thompson Trophy event.

Holtzner, flying a North American F86D Sabre jet, will try for a new world record for 100 kilometers.

62 Mile Route  
He will follow a closed course around eight pylons on a 62-mile route over parts of three Ohio counties. The last Thompson contest, held in 1951 at Detroit, was won by Col. Fred Ascani in an F86E at an average speed of 635.86 m.p.h.

However, Holtzner is aiming at the world mark for 100 kilometers—675.47 m.p.h.—registered by Jacqueline Cochran in a Canadian F86E at Edwards AFB last June 3. The contest is sponsored by Thompson Products, Inc., Cleveland aircraft parts manufacturer. Another Air Force pilot, Capt. Harold E. (Tom) Collins of Fairborn, Ohio, will try to exceed Miss Cochran's speed for a new world record for the 15-25 kilometer run.

## POLICE CHARGE TWO IN CRASHES

Borough police brought charges against drivers in two auto accidents investigated in the borough over the weekend.

Charles A. Shoemaker, Payetteville R. 2, was charged before Justice of the Peace John H. Baschore with failing to halt at a stop sign following a crash at 9:30 o'clock Sunday morning at the intersection of W. Confederate Ave. and W. Middle St.

Police said Shoemaker was headed south and struck the car of L. E. Jacobs, Gettysburg R. 3, driving east on W. Middle St.

After the crash Jacobs' car struck a utility pole and a highway sign, and then continued on into a field for a distance of 10 feet.

In the other crash, at 10:15 o'clock Saturday morning on Lincoln Square, Helen C. Lettier, Downingtown, was charged before Justice Baschore with failing to yield the right of way in Lincoln Square. The Lettier vehicle, entering the square from York St., struck a car driven by Edward L. Warren, 430 Baltimore St., which had entered the square from Carlisle St. Damage totaled \$110.

## Miss Martha McMillan Dies In Chicago At 46

Miss Martha Hamilton McMillan, 46, niece of Miss Margaret McMillan, York St., a former Gettysburg High School student, died suddenly Saturday in Chicago after having suffered a stroke Friday while lunching with a friend. Her home was in Forest Glen, a Chicago suburb.

Miss McMillan was a daughter of the late Mr. and Mrs. Kent McMillan and attended high school here for two years. She later graduated from the woman's college at Rockford, Ill., and had been managing editor of the Chevrolet Dealers' News for a number of years.

A victim of polio, contracted during a visit to Gettysburg in 1908, Miss McMillan was able to walk with the use of braces. She suffered a broken hip in a fall last April while on a motor trip.

The funeral will be held Tuesday afternoon at 2 o'clock in the Forest Glen Community Church and burial will be made at Forest Glen.

## QUIZ TWO IN PIKE SLAYINGS

PITTSBURGH (AP)—State police planned to send a .32-caliber automatic to Harrisburg for a ballistics test today to see whether it was used in the Pennsylvania Turnpike slayings.

The weapon was found in the auto of four men arrested after an 85-mile-a-hour chase in Pittsburgh Saturday. State police quizzed two of the men in the turnpike killings.

They are Arthur Moorehead, 19, of Pittsburgh, and James R. Jones, 24, of Detroit. Both face charges of armed robbery and violation of the firearms act.

A .32-caliber automatic snuffed out the lives of two sleeping truck drivers on the super highway in July. Another trucker was wounded by the same weapon near an Ohio approach to the turnpike.

Moorehead and Jones were arrested after a sidewalk holdup was reported. The other men in the car were Melvin Harris, 20, and Frank Maybee, 17, both of Pittsburgh, police said. Maybee was turned over to juvenile court and Harris was released.

## Cotton Diet For Nail-eating Boy

ALBUQUERQUE, N. M. (AP)—There's an old saying that goes something like "he eats nails and spits battleships."

Randy, 22 months, isn't spitting battleships, but he eats nails. He swallowed 10 of them. The doctors advised Capt. and Mrs. Sidney Green to feed him cotton and let nature take its course.

## FIREMEN CALLED

The Gettysburg Fire Department was called Saturday afternoon at 1:50 o'clock to W. Water St. where a short in electric wires along the street had set a tree afire. They extinguished the blaze and the Metropolitan Edison Company repaired the broken wires.

## DEATHS

Marlin F. Six, husband of Mrs. Sydney A. Adams Six, died unexpectedly of a heart attack Friday morning at his home near Rocky Ridge, Md. He had retired about seven years ago after many years' employment as a bridge carpenter with the Western Maryland Railway Company. Damage totaled \$11 when cars of Eugene H. Roth, 38, R. 3, and K. Wayne Barney, Taneytown R. 2, collided at 8:15 o'clock Sunday night near Suffer's Park on the Biglerville Road. Police said Roth was attempting to enter the driveway at his home when the crash occurred.

## Advantages U.S. Worker Has Over Commy Labor Are Cited

By JAMES MARLOW  
WASHINGTON (AP)—Nineteen years ago Joseph Stalin said: "Equalization in the sphere of demands and personal life is reactionary, petty bourgeois nonsense, worthy of a primitive and ascetic sect and not of a socialist society organized in a Marxian way."

This was a way of saying that in the Soviet society, which was supposed to be classless because everyone would draw the same kind of pay or be able to live in the same kind of house or afford the same kind of food or clothes. The rewards a man got for his work depended on the kind of work he did, which meant how useful he was to the Communist party, which ran the government.

Thus a physicist working on the atom bomb or an artist or a movie director could have a house in the country, and maybe a car and servants, but a factory worker had to squeeze into one room with his wife and two children.

While today's Labor Day speeches emphasized the importance and economic progress of American workers, they were at the same time, sometimes without mentioning it, emphasizing the difference between the positions of American and Soviet workers and the roles which labor unions play, or are permitted to play, in the two countries.

And in any contrast of this kind nothing stands out more ironically than the role of Communists in the American labor movement. Here a worker can quit his job and shop around for another or, if he's lazy, can stall on his job until the boss finds out and sacks him. Then he can go job-hunting elsewhere.

## Can Be Prosecuted

Two years ago Vladimir Gsovski, chief of the foreign law section of the Library of Congress, published a report on the condition of Russian workers which said among other things:

## GOP FACES "BIG BUSINESS" TAG BY DEMOCRATS

By JACK BELL  
WASHINGTON (AP)—Rejection of a proposal for a 1954 midterm Democratic convention was forecast today among party members preparing for a showdown on the issue at next week's rally in Chicago.

Dixie Democrats who have declared their loyalty to the national party and their willingness to pledge support of its 1956 nominees joined with others who are balking at the loyalty oath requirement in opposing the off-year convention idea.

Sen. Hill (D-Ala.), among others, said any such party gathering could only breed disunity in advance of next year's congressional elections. Hill, an active campaigner in 1952 for former Gov. Adlai E. Stevenson of Illinois, has called on all party members to abide by the loyalty pledge.

Fear Party Split  
On the opposite side of the party fence, Gov. Hugh White of Mississippi, who wants the loyalty oath abolished, has attacked the midterm convention proposal.

Most Southern Democrats apparently believe that any attempt on the part of a 1954 convention to adopt a set of principles for the congressional campaign would raise the controversial civil rights and states rights issues, causing a party split.

There is some evidence that party leaders, recognizing this view, cleared their loyalty to the national party controversies at the Chicago gathering and concentrate on issues on which all of the Democrats can agree.

Sen. Douglas Keynote  
In this connection, Sen. Douglas (D-Ill.), keynote at a 100-a-plate dinner Sept. 14, is expected to rip into the Eisenhower administration for bringing "big business" into government in Washington.

Stevenson, the 1952 presidential nominee, and former President Truman also will speak briefly at the dinner. The following night Stevenson will report on his world trip.

Most Democrats would welcome the chance to hang a "big business" label on the Republicans in the 1954 campaign.

Gov. G. Mennen Williams of Michigan, leading a forum on agricultural policies, is expected to tie off on the Eisenhower administration's farm program. Here, again, most of the Democrats are willing to join in the criticisms.

There also is expected to be discussion of the Republican policy of increasing interest rates on government bonds, a move many Democrats have described as raising the cost of loans for farmers and small business men.

## HOME RANSACKED

Borough police were called Sunday afternoon to the home of Mr. and Mrs. Robert Coffield, 248 E. Middle St., to investigate the ransacking of the first floor of the house during the absence of Mrs. Coffield. Drawers were pulled open and doors were standing open. Nothing however was taken, according to the police report.

## OWN ALL INDUSTRY

The government owns all industries. All plant managers are employees of the government. So are the workers. But everything in Russia, including the plants, belongs to the people. Therefore a worker who struck would be striking not only against the government but against his own property.

Since a strike is unthinkable under this kind of reasoning, a strike became not a strike but sabotage. This makes Russian trade unions not an aggressive instrument of the workers' demands but an anesthetic to keep them quiet. Instead of bargaining, therefore, trade union leaders are party tools for persuading the workers the wage rates fixed by the government are not only all they can get but all they should expect.

Reds Create Unrest  
While a Communist in an American labor union was free to create unrest, foment strikes and work stoppages or urge other demonstrations of workers' strength for higher pay, his allegiance was to the party and whatever he did was in accordance with party orders.

But if tomorrow the Communist party got control of this country his tactics would be just the opposite and his sole mission as a labor leader would be to hypnotize the workers into accepting the wage rates decided for them by the party. This once-militant Communist would become the enemy of union militancy. It would be worth his life to be otherwise.

cemetery, the influence of the Sisters of Charity and Mercy are related in detail.

Has 60 Illustrations  
Sixty illustrations embellish the booklet, depicting the various church establishments through the years, the pastors and clerics associated with St. Francis Xavier Church, and details of the new altars, stain-glass windows, the impressive altar piece and the interior of the present church.

The centennial booklet is printed in attractive cloister type, with engraved copper half tones, on dull coated enamel paper. The glo-kote board cover features a sepia pen and ink drawing of the original church on West High St. and the present edifice by Frederick J. Kurtz, of Hagerstown.

Fifteen hundred copies of the centennial booklet were printed by the Times and News Publishing Company. The work is the most complete history of any parish in the Harrisburg diocese, Rev. Fr. Kane said.

clation to have \$10,500 invested in U.S. Savings Bonds.

Civil Defense activities of the firemen were reported with reports showing that approval has been given by the federal government for \$48,763 worth of fire fighting, rescue and other equipment in the county. The amount is based on a program of the federal government of paying one-half the cost for certain Civil Defense items.

Of particular interest to the firemen this morning was a continuous demonstration of a "monitor radio" which firemen can secure for their homes and which will keep them in constant touch with the radios mounted on trucks of 17 companies in the county and the county firemen's station.

This afternoon Judge W. C. Sheely will be presented with his honorary fire chief badge, officers will be elected for the coming year and the annual firemen's parade will be held.

## Main Altar Of St. Francis Xavier Church Dedicated At Pontifical Mass This Morning

## Bishop Leech's Sermon

(Continued from Page 1)

Son of God and His subsequent resurrection from the dead, so the greatest event that ever transpired in Gettysburg was the establishment here, one hundred and twenty-two years ago, of the consecrated altar and the perpetuation thereof of the self-same sacrifice of the God-man effected by the priest in the Mass, in fulfillment of the explicit commission of Jesus Christ, who is both Priest and Victim, "Do this in commemoration of me" (Luke 22, 19).

"Mass Makes Worship" "It is the altar, my brethren, it is always the altar which makes the church, be it the handsomest or the humblest church in all Christendom. It is the Sacrifice of the Mass which makes our religion the true and complete worship of God that it is, whether the Mass be offered by the Supreme Pontiff or by the young priest of the church ordained only yesterday, because the Mass on our altars of this modern day is essentially and truly identical with the Sacrifice which Our Saviour and High Priest, Jesus Christ, offered on the original altar of the cross. Entirely unbloody on this Gettysburg altar, as on Calvary it literally ran with the life blood of the Son of God, the Sacrifice is always divinely authentic and complete and is always the actual and acceptable offering of the very Body and Blood of Jesus Christ to our Father in heaven for our eternal salvation.

"Sacred Beginnings" "This, my beloved brethren, is the light in which you can see in full Christian perspective and enjoy, as is your rightful privilege in Christ to enjoy, this centenary day

of your precious parish church of Saint Francis Xavier. In the light of this basic Christian truth you can understand why the greatest, and by far, the most important event in famous Gettysburg's entire history was the establishment here of the altar of the Sacrifice Divine. In the light of this truth you will be able to appreciate in retrospect the consummate joy of those Catholic people and their priest of long ago, your own forbears in the faith, as, upon an altar stone like yours, they made the sacred beginnings of this parish of Saint Francis in 1831.

"Evidence Of Faith" "It was their Catholic Faith demanding its full and true expression. It was their Catholic Faith vindicating itself in good works, which are always the evidence and proof of faith. Their generous working and giving in their day was like yours in your day, as you have now joined hearts and hands to house the altar of the Sacrifice with all the becoming dignity and beauty within your capacity to afford. And your spiritual joy today is a holy re-echoing of theirs as you now behold your own Saint Francis Xavier's restored and dignified and embellished in this truly handsome fashion, as it rounds out a hundred years of service as the house of God and the hearthstone of your faith and devotion. Like those who are gone before you in the sign of faith, now it is yours to see and to enjoy the ancient promise fulfilled, as only Christ could fulfill it, 'I will set my tabernacle in the midst of you and my soul shall not cast you off. I will walk among you and will be your God, and you shall be my people' (Lev. 26, 11).

Lauds Early Founders "High tribute of praise and grateful memory I proudly pay today to the bishops, the priests, the religious and the laity of other days, whose faith and good works of faith produced and developed, here in Gettysburg, this sterling parish of Saint Francis Xavier and thereby made us their beneficiaries and debtors in the household of the faith. God rest them all. God reward them, God make us worthy of them, as you and I carry on in our own day of responsibility for the Church of Christ and its mission of saving the souls of men.

"High tribute, too, of praise and grateful memory I proudly pay today to the bishops, the priests, the religious and the laity of other days, whose faith and good works of faith produced and developed, here in Gettysburg, this sterling parish of Saint Francis Xavier and thereby made us their beneficiaries and debtors in the household of the faith. God rest them all. God reward them, God make us worthy of them, as you and I carry on in our own day of responsibility for the Church of Christ and its mission of saving the souls of men.

thanks and congratulation we all pay today to you, Father Kane, and your assistants, to you, the Sisters of Mercy, and to you the parishioners of Saint Francis Xavier's, as we come to behold your distinguished achievements and to join our hearts with yours and with the Sacred Heart of Our Saviour in this offering of the eternal Sacrifice to God, in humble thanks for the mercies and graces of these hundred years. No priest or sister or neighbor of friend here present, no parish or parishioner in the whole diocese, but joins me now in sentiments of admiration and compliment upon your example in giving to the all-high God, to the diocese, to this community and to every soul who may ever have the grace to profit by it, this shrine of Christ in historic Gettysburg, the shrine of our united America."

## Fair Officials Urge Top Fruit Display

Nelson Weber, Biglerville, chairman of the horticulture exhibit at the South Mountain Fair, September 8-12, urges all Adams County fruit growers to bring in their finest fruit for showing at the fair so that this can be a "representative display of the kind of fruit we raise in Adams County, the best fruit producing county in the state."

Prizes will be given for the best displays of the following varieties of apples: Red Delicious, Golden Delicious, Grimes Golden, York Imperial, Stayman, Red Yorks, Red Stayman, Dark Red Delicious, peaches: Elberta and Hale; grapes: standard varieties, except that premiums will be higher for Concord and Niagara.

Apples and peaches can be displayed on plates with 5 specimens, trays, or sixteens. Plates of grapes must consist of 3 bunches.

The best plate of apples, any variety, will win a \$5 prize and a ribbon.

All exhibits must be entered before 6 p.m., Tuesday, September 8.

## FAIR GROWS EVERY YEAR

Judges at the 1952 South Mountain Fair congratulated the association because of the constant growth in individual exhibits. While such exhibits at most other fairs are on the down-grade, with fewer individuals exhibiting, the quantity and quality of displays at the South Mountain Fair are both improved.

Almost 2000 people had exhibits of one sort or another in 1952. While no tally of the number of individual items was kept last year fair officials believed that it was 25 per cent over 1951. Aside from the commercial exhibits, and the school and 4-H exhibits, 406 persons brought in everything from timothy seed to cows for display. In addition more than 200 4-H members entered displays, and approximately 1000 school children displays of handwriting, drawing and manual arts were shown. Commercial exhibitors and horse show entrants swelled the totals.

Back in 1923 records disclose that there were 12 automobile exhibits featuring the closed car, 22 horses and mules, 525 fowl, 225 hogs, 200 apple exhibits and 60 dairy cattle.

The prize list has grown with the displays and last year over \$3,000 was given in awards.

## Dillsburg

DILLSBURG — Mrs. Seright Nell, Franklinton, had as recent guests Mr. and Mrs. Joe Garley, who have been in this section from Wisconsin; Mr. and Mrs. Harry Wolfe, Harrisburg; Mr. and Mrs. Ray Nell and daughter, Boyertown, and Miss Nancy Nell, York.

Mr. and Mrs. A. B. Lau have been entertaining Mrs. Ritter, a Bloomsburg house guest, at their Franklinton home.

Mrs. Bruce Byers, Franklinton recently visited in Pittsburgh with the family of her brother, Clayton Thomas.

Kathryn Grove, Franklinton, recently entertained Mr. and Mrs. Harry Wolf, Harrisburg.

Jack Anderson, son of Mr. and Mrs. George Anderson, near Two Churches, is believed to have arrived in Japan with the armed forces, having sailed for overseas a few weeks ago. The Andersons are discontinuing the dairy business at their farm because of insufficient help.

Mr. and Mrs. Charles Myers, Franklinton, had as recent house guests their grandsons, Charles Myers 2nd and Jack Myers, Mountaineers Colony.

A reunion of the grandchildren of Mrs. Aida Hoffman and their children was conducted recently with dinner served at Mrs. Hoffman's Franklinton home to: Pvt. and Mrs. Robert Miller and son, Benton; Mr. and Mrs. John Knaub and children, Lewisberry; Mrs. James Stambaugh and son, near East Berlin; and Mr. and Mrs. Charles Miller and Mr. and Mrs. Richard Baum, all of the Dillsburg area.

A dash of dry mustard and a few drops of tabasco sauce will enliven cream sauce that's to be combined with diced cooked ham.

## ART EXHIBIT WILL ATTRACT MANY TO FAIR

Like most other expositions the South Mountain Fair places most emphasis on agricultural exhibitions of one sort or another. Back in 1922 when the first South Mountain Fair was held there were only nine departments: Horses and mules, dairy cattle, swine, grains, vegetables, fruits, culinary, needlework, and schools. These have remained the backbone of the program.

But strides have been made in other directions also. Today the artist and the photographer have a good opportunity of having their first show at the Arendtsville fairgrounds. And there is sufficient broadness to the classifications in exhibition that almost any type of handiwork can go on display.

In the Art section the following classes have been established: Oils, divided into portraits and stills, and landscapes and general oil paintings; watercolors, landscapes and still life; pastels, portraits and still life; pencil and charcoal; pen and ink etchings; decorated tin, including trays, medium pieces and small pieces; decorated wood, furniture and odd pieces; decorated glass; ceramics; sculptures, and wood carving.

Wire For Hanging Entrants are advised that all pictures must be wired for hanging and that they must be originals not previously shown at the South Mountain Fair. Old exhibits may be shown, but not for competition.

Four classes have been arranged in the photography exhibit: Pictorial, portraits, color prints, and best print of the show. Prints previously shown at the fair are not eligible for competition. The pictorial and portrait classes will consist of black and white prints, 8 x 10 or larger, mounted on 16x20 mounts. Film exposure and paper processing must be done by the exhibitor. Tone prints will be accepted in these classes.

Color prints must be 5x7 or larger, colored by any process in any medium.

## WGCT ARRANGES FAIR COVERAGE

Radio station WGCT, Gettysburg, plans to continue its popular coverage of the South Mountain Fair, September 8-12. Station manager Murray Goldsborough indicates that WGCT broadcasts will be more complete for the 30th presentation of the Fair than ever before.

WGCT has just installed a new dynamotor in its station wagon and it will be possible to have on-the-spot recordings in addition to the tape recordings taken last year and broadcast later. Present plans call for programs afternoon and evening all during the Fair.

A direct broadcast loop has also been installed at the Administration Building for live interviews of Fair officials and patrons. In addition Fred Attinger, assistant county agent, will give frequent farm commentaries on the agricultural exhibits at the Fair.

El Salvador is nicknamed "daughter of fire" because of her 14 active volcanoes.

## THE Camera COLUMN

By Dave Garfinkle

Many people dream all their lives about making a living out of a hobby . . . working every day at something they really like. That's why we think we're pretty lucky . . . because we like our work. Why not? What everybody thinks is fun, we work at all the time . . . photography. We think there is nothing to beat it, and we

hope that after you've visited us a few times in this column, and in our shop, you'll feel the same way about your photographic hobby.

It's our contention that ANYBODY can shoot a good picture. ANYBODY can have fun with a camera. There are hundreds of good ideas for shots staring you in the face so to speak, all the time. And with just a little know-how and help you can be taking pictures of your family, your everyday activities, your surroundings, to compete with any magazine shot.

We'll be dropping around from now on in this column, weekly, with hints and ideas about shooting the best pictures. camera comments to interest both the beginner and the experienced photographer. Hope you'll join us and let us hear your reactions.

We hope, too, you'll visit us often at our store, either for equipment or just to talk about your photo problems. We're always glad to see you. at DAVE'S PHOTO SUPPLY, 82 Chambersburg Street, Gettysburg, phone 83-W.

By GEORGE MATTHEW ADAMS

**RELAXATION WITHOUT THOUGHT**

One of the most important of all physical arts is that of relaxation, but to gain its full benefit it must be without thought! Otherwise there will be tension, which defeats all those delightful benefits.

People have told me that they "try so hard" to relax but can't make it. Don't try! Just relax, as though you were putting all the muscles of the body to sleep, like you would a baby. A baby gets its sleep and rest because it doesn't think of anything!

Note the animal when it wants to relax. It just yawns, stretches out, relaxes — and rests. Learn something from your dog, as he curls up and takes his nap. Nature doesn't fool around with false movements. The birds and animals in nature go to their rest — without thought. Then they are ready for all the activities of the day.

Worries and anxieties are the worst of all bed companions. Have nothing to do with them! Be the master of your decisions. You will be adding years to your health and happiness. Your friends will wonder where you get all your energy and cheerfulness.

No sleeping pills or medicines have any place in the human body that has learned to relax in the natural way. And it is so easy if a little will power is thrown in — and the consequences are so pleasant and surprising! I have written before about a remarkable book on this subject — "Relax and Live," by Joseph A. Kennedy, and published by Prentice Hall, New York. It's worth its price in gold leaf!

Life is too short, at its best, to waste efforts that should be used for one's health and happiness. You will note that people with plenty of energy are not those who clutter up their lives with useless movements and worries over most things that never happen anyway. Our Creator meant that we should live happily and always treat this body of ours with respect and consideration. I like that Chinese line: "Enjoy yourself. It is later than you think."

Tomorrow Mr. Adams will talk on the subject: "Wrinkles!" Protected, 1953, George Matthew Adams Service

**EXPECT RUSSIA PLANS NEW STEP ON DISARMING**  
By MAX HARRELSON

UNITED NATIONS, N. Y. (AP)—Many U. N. diplomats believe Russia will make a dramatic attempt at the forthcoming General Assembly to seize the initiative on the stalemated problem of disarmament and atomic control.

These diplomats expect the Soviets to come up with new proposals dealing with both conventional arms and with atomic weapons, including the hydrogen bomb. The disarmament and atomic control question already is on the Assembly's agenda. It is generally agreed it will become a major issue of the three-month session opening Sept. 15.

**2 New Developments**  
Two developments since the last regular Assembly will have an important bearing on the discussions: the Korean armistice and the Soviet announcement that Russia has produced an H-bomb.

Russia's last major proposal on disarmament and atomic control came in 1949—just after the first announcement that the Soviet Union had exploded an A-bomb.

Some delegates now feel that the recent announcement of the H-bomb may have been timed to afford a dramatic opportunity for new proposals. Whether or not it was deliberately timed, it does provide a plausible reason for reopening atomic control discussions.

The Korean armistice has a bearing on the disarmament issue because virtually all delegates, particularly those from Western countries, have insisted that there could be no reduction of arms while the Korean conflict continued.

**NEW SHOWS AND OLD DUE ON TV**  
NEW YORK (AP)—Bing Crosby as a television regular this season still looks like a good possibility at CBS-TV. There's been no definite scheduling yet, but the plan is to place him on the air once a month.

So far Bing's TV has been restricted to guest appearances, a few times live and on at least one occasion on film. It is expected his TV series will be on film, billing one of the Sunday night spots when the Fred Waring show is off. Fred, who comes back Sept. 27, is cutting his schedule by half. Drama will fill the other open spot. Bing will resume his weekly radio show on tape recordings late this month.

In its roster of new shows CBS-TV lists "Life with Father and Mother," based on the play, "Life With Father"; "Man Behind The Badge," a who-dun-it; Ray Milland in the "Meet Mr. McNulty" skit, which also will go radio; Leo J. Carroll and Ann Jeffries in a comedy based on the "Topper" stories; Ed Murrow's person to person, an in-the-house interview series; and Joan Caulfield in "My Favorite Husband," a revival of the one-time radio series in which Lucille Ball got her start on the air.

The only addition to the CBS-TV comedy roll will be Red Skelton, who moves from NBC and now is definitely set for Tuesday nights opposite Milton Berle beginning Sept. 22. Red Buttons will be starting his second season, Jack Benny will be back every three weeks instead of four and Jackie Gleason again will run Saturday nights.

Most of the established shows will be back, including Omnibus in its second season; the continuing Godfrey productions; See It Now at a new Tuesday night time; Toast of The Town; John Daly's What's My Line; and Burns and Allen.

Of course, I Love Lucy will be back. The date is Oct. 5.

## Internal Revenue Commissioner Can't Reorganize In Two Years

By JAMES MARLOW  
WASHINGTON (AP)—T. Coleman Andrews, the internal revenue commissioner, figured when President Eisenhower appointed him last winter it would take him two years to reorganize the revenue service.

He guesses now it will take a little longer. When he's finished, Andrews says, he will tell his boss, Secretary of the Treasury Humphrey. Then if the Eisenhower administration wants him to stay, he'll decide about staying.

But he says that if anyone inside the administration attempts to force him into favoring anyone, an individual or a corporation, no one will see him for the dust as he goes out the door.

He expects no such pressure, he says, and adds that he explained fully his plans to Humphrey and received the secretary's full approval. Andrews says he is working in two directions:

**Check More Returns**  
He's decentralizing — putting more authority in the field offices to make decisions on tax settlements, less in Washington; and he's putting more manpower into checking tax returns, less in other kinds of jobs.

So far, Andrews says, he has received wide approval for the steps he has taken from the public and members of Congress. But he concedes the reaction to his reorganization has not been unanimous.

The main complaint against him, he says, has come from a few "Washington tax practitioners," which, in effect, means tax lawyers.

But some members of Congress, those on committees dealing with tax and finance matters, are waiting for Andrews to give them a fuller explanation of what he is doing.

**Favored Consultation**  
Some of them feel Andrews and Humphrey rushed the reorganization without giving them time for consultation. Congress could, of course, pass legislation at its session next year undoing Andrews' reorganization, or part of it.

Andrews himself minimizes criticism from the Capitol, expressing the view that when he sits down with some of the lawmakers this month any differences between them will be ironed out easily.

The Washington tax "practitioners," he says, have an understandable interest in seeing the revenue service more centralized in Washington. This is the point he makes:

Previously when an individual or corporation had a tax dispute with the government, involving a lot of money, the first step toward a settlement was taken in the field of office nearest the taxpayer.

But the decision there—that the taxpayer should get a refund or pay more than he thought he should have to—was not final. The case then came to Washington for review by a special group in the main office here, called the post-audit division.

**Decision Is Final**  
So far as the bureau was concerned this group's decision, reversing or upholding the field office, was final.

Andrews says it was when a case came here from the field for final review that the Washington tax specialist, hired by the taxpayer to look after his interests, usually got in on the case.

Andrews abolished this post-audit division. In most instances now the field offices will make the final decision.

Washington tax lawyers say complaints about Andrews' reorganization come not only from them but from tax lawyers, and some accountants, around the country and that their concern is centered on what they say they fear will be a lack of uniformity in administering the tax law.

## Constellation Crash-Landed; 32 Escape Serious Injuries

MCCORD AIR FORCE BASE, Wash. (AP)—A Northwest Airlines Constellation, wallowing almost helplessly through foggy skies crash-landed and burned here early yesterday. The 32 persons aboard escaped death, but 29 were injured or burned.

The 26 passengers included three infants.

The plane burst into flame as its pilot, Capt. Russell Bird of Seattle, attempted to land with only one wheel down and two engines dead.

Only nine of those injured remained in hospitals today and physicians said none were in serious condition.

The No. 3 engine of the huge Lockheed aircraft failed as the plane roared into the sky from Seattle-Tacoma International Airport at 2:06 a.m. Because of fog conditions, Bird decided to take the craft, scheduled for a nonstop flight to Chicago, into Portland.

He was forced into the landing here when the No. 4 engine conked out.

**Hydraulic System Fails**  
On the landing approach, only one wheel would come down because of a failure of the hydraulic system. Bird brought the plane down anyway.

It rolled easily along on the one wheel until its speed slackened. Then the left wing tilted to the ground and gas in the wing tanks burst into fire, sending flames shooting 15 feet.

The huge aircraft swerved from the runway. Crew members worked frantically to loosen safety belts and help the passengers climb to safety through a sheet of flame.

Bird and Patricia Grivna of McKeesport, Pa., the stewardess, said all of the passengers were out of the plane and safe within one minute after the plane had stopped rolling.

The most seriously injured was John Kaney, 29, of Baltimore. He suffered lacerations of the scalp and was described as in fair condition.

Mrs. Helen McKenna, 43, and Evelyn Simmons, 43 both of Baltimore, were also hospitalized.

## Bus Overtakes But 34 Aboard Escape

LANCASTER, Pa., (AP)—Thirty-four passengers aboard a chartered bus narrowly escaped death yesterday when the bus swerved off the road near here, ran down an embankment and overturned.

Three of the passengers were detained overnight at Lancaster General Hospital. The rest stayed at a local hotel. All were members of a Baltimore social club returning home after attending a clam-bake in Reading, Pa.

The most seriously injured was John Kaney, 29, of Baltimore. He suffered lacerations of the scalp and was described as in fair condition.

Mrs. Helen McKenna, 43, and Evelyn Simmons, 43 both of Baltimore, were also hospitalized.

## Campanella And Rosen Are Strong Bidders For "Most Valuable Player Awards"

By JOE RIECHLER  
AP Sports Writer

Roy Campanella of the Brooklyn Dodgers entrenched himself more securely yesterday as the leading candidate for the National League's Most Valuable Player award. He slammed his 38th homer of the year, breaking Gabby Hartnett's 23-year-old record for home runs by catchers.

And in the American League, Al Rosen of the Cleveland Indians put in a strong bid for the junior circuit's MVP prize with his 38th home run. This gave him the league lead by one over Philadelphia's Gus Zernial.

Campanella drove in two runs as the Dodgers whipped the New York Giants 6-3. He thus raised his runs-batted-in total to 133, equaling the major league record for catchers set by Bill Dickey with the 1937 New York Yankees.

Cleveland Second Now  
Rosen's homer helped the Indians beat the Chicago White Sox 4-2 and take undisputed possession of second place. It also enabled him to break his own league record for most home runs by a third baseman—37 in 1950.

The Indians' slugger has a chance to become the fourth American leaguer ever to win the triple crown—home runs, runs batted in and batting average. He tops the field with 129 RBIs and his .326 mark is only three points behind Mickey Vernon's league-leading .329.

Vernon was idle yesterday as rain washed out the scheduled double-header between the Senators and pace-setting Yankees in Washington. The Yankees' lead over the Indians is 10 games with 20 left.

Carl Furillo Hurt  
Leading Milwaukee by 11 games, Brooklyn needs to win only eight of their remaining 16 games to clinch their second straight flag.

Brooklyn, however, will have to play the next 10 days without the services of outfielder Carl Furillo, its league-leading batter. Furillo suffered a broken bone in his left hand yesterday in a scuffle with Manager Leo Durocher of the Giants.

Eddie Mathews, still trying for Babe Ruth's homer record, blasted his 45th to help the Braves defeat the St. Louis Cardinals 3-1 in the first game of a double-header. The Cards rallied in the closing innings to earn a 3-3 tie in the second game out to eight innings by darkness. Stan Musial's 25th homer, his sixth in the last eight games, tied the score in the eighth.

A's Lose Pair  
In other National League games, the Phils beat the Pirates 7-2 and the Cubs turned back the Reds twice 7-2 and 7-6. Ralph Kiner hit his 30th homer for the Cubs. In the American, Ted Williams hit his eighth home run as Boston swept a double-header from the Athletics 8-4 and 4-0, while the Tigers whipped the Browns 5-2.

5 HORSES DIE IN BLAZE  
CARLISLE, Pa. (AP)—Five harness racing horses owned by Norris Spidle, R. 2, were trapped by fire in a barn and destroyed yesterday. Six other horses and 15 cows were rescued from the burning building.

Firemen blamed the blaze on spontaneous combustion. Spidle was unable to estimate the value of the horses immediately. The top attendance for the major league All-Star game was 69,831 at Cleveland's Municipal Stadium in 1938.

## RAIN WASHES OUT BASEBALL GAMES SUNDAY

Rains over the weekend completely washed out the baseball games scheduled to be played in this area on Sunday.

Greenmount and Taneytown were slated to open the best-of-three series for the playoff championship of South Penn League at Taneytown. They have re-scheduled the game for next Sunday at Taneytown.

The four final regularly scheduled games in the Pen-Mar circuit were also rained out.  
Dr. D. Luther Beagle, Emmitsburg, league president, pointed out today that by-laws of the league state that the regular season definitely ends with games scheduled for the final date.

However, three teams — Emmitsburg, New Oxford and Blue Ridge Summit — are deadlocked for second place and a solution must be found to determine the positions for the teams in the Shughnessy plays.

Beagle said today he will have the three managers of the teams involved meet as soon as possible to determine how to solve the current three-way tie.

## Check Passer Arrested By FBI

WAYNESBORO, Pa. (AP)—The arrest of a 28-year-old Waynesboro man ended a one-year search for the person police believe responsible for passing worthless checks in Ohio, Pennsylvania and Kentucky.

Harry Richard Braneman was held today on charges of forging and cashing checks stolen from a Chicago Trucking company. He will receive a hearing before the U. S. Commissioner in Harrisburg.

Braneman was arrested yesterday by the Federal Bureau of Investigation and local police. He disappeared last August after the Chicago firm reported the theft of a check-stamping machine and 25 special account checks. Eleven of the checks for \$736 were cashed before Braneman disappeared.

## Softball Tourney Will Close Today

WILLIAMSPORT, Pa. (AP)—Weather permitting the two Pennsylvania entries face each other today in the Central Atlantic Regional Softball Tournament.

Williamsport and Tarentum, the state champion, were carded to open the third and final day of play in the double elimination tournament.

Yesterday's games were all rained out but officials held hope the tourney could be completed by the end of the day.

## START 36-HOLE GRIND AGAIN AT WASHINGTON

WASHINGTON (AP)—A band of weary and water-logged golfers set off today on a marathon, 36-hole grind in an effort to wind up the National Celebrities Tournament before the snows come.

Officials yesterday called off the third round of the tourney for the second straight day—with only nine of the 60 players still out on the course.

All the scores were canceled and play today resumed at the half-way mark with Lew Worsham of Oakmont, Pa., still leading with a 7 under par score of 137.

### Worsham In Trouble

Worsham was having his troubles yesterday as he and his two partners, Bill Nary of Kansas City and Charlie Bassler of Catonsville, Md., fought their way through a series of water puddles and deep mud to the 12th green.

Nary complained that his 20-foot putt would have to travel through a big puddle and asked permission to move his ball to another spot 20 feet away without a water hazard between him and the hole.

Worsham and Bassler objected, so they sent out for a ruling. Before the ruling was handed down, play was called off.

Scores Wiped Out  
Doug Ford of Harrison, N. Y., skidded to a 76 yesterday after a record-equaling 64 the day before. Both of those scores were wiped off the books.

The best rounds turned in yesterday were by Jack Isaacs, pro at Langley Field, Va., and Ed (Porky) Oliver, the veteran Ryder Cupper from Palm Springs, Calif., who was celebrating his 38th birthday. Isaacs came home with a 4 under par 68 and Oliver had 69.

With the scores back at the half-way total, Ted Kroll of New Hartford, N. Y., retains a second-place tie with Nary and Cary Middlecoff of Memphis, Tenn., all at 139. Bassler, Jim Turnesa of Briar Cliff, N. Y., and Skeel Riege of Tulsa, Okla., are tied for fifth, each at 141.

A sturdy contingent of celebrities struggled around the course yesterday. Bob Hope, the comedian, lured the biggest gallery and turned in a card of 38, two over par, for nine holes.

The pros are after the \$15,000 pot put up by the tourney sponsors, the Washington Post.

## SHOOT PAIR OF "HOLES-IN-ONE" IN SINGLE ROUND

CHICAGO (AP)—A 30-year-old weekend golfer Sunday posted a doubly enviable triumph — a 305-yard spoon shot, and a 160-yard No. 7 iron shot — for two holes in one on the same round.

Pete Di Giulio, a grocer who never before scored an ace in 15 years of golfing, chalked up the twin prizes.

The 6-foot, 195-pounder used the iron to hole out on the 160-yard second hole at the Shady Lawn Golf Club in suburban Beecher. He was still being congratulated by the three friends playing with him when he stepped to the sixth tee.

The yardage is marked at 305. Di Giulio took a spoon, a very strong wind was at his back. The ball, according to witnesses, landed 15 or 20 feet in front of the green. It trickled on and rolled into the hole on the back side of the green.

Di Giulio finished with a 79, seven over par. Playing with him, all from Chicago Heights, were Amadio Prozzi, who shot 78, Lee Bastien, 81, and Eddie Kudiaty, 74. All confirmed the aces.

### Emmitsburg

Prof. and Mrs. Charles Curtin have returned to Emmitsburg after a year's absence during which Prof. Curtin continued graduate work in biology at the University of Pittsburgh. He will resume his duties on the Mount St. Mary's faculty and the couple will live in the home formerly known as the Callahan home, opposite Mt. St. Mary's College.

Bernard Kalisz, new instructor in English at Mount St. Mary's will take up residence in the barracks at Mount St. Mary's. Kalisz, a former Fulbright scholar and Mt. St. Mary's graduate, taught last year at Fordham University.

Prof. and Mrs. Robert Marshall and family have moved from their home in faculty row to their new home near Mt. St. Mary's College. Lawrence B. Dunn of the Interstate Commerce Commission, Washington, D. C., and his wife and Charles B. Dickey, Salisbury, Pa., were recent visitors of Col. and Mrs. Thomas J. Frailey.

Mr. and Mrs. Harold Schwartz and family, Washington, D. C., spent the Labor Day weekend at their farm on the old Frederick Road.

Miss Loretta Boyle, daughter of Mr. and Mrs. Bernard H. Boyle, E. Main St., Emmitsburg, was one of ten to receive their nursing caps at exercises held last week in Frederick. Miss Boyle received her diploma from the School of Nursing, Frederick Memorial Hospital, after three years of study. She is a graduate of St. Joseph's High School. At the same time her parents, announced her engagement to Richard Sprankle, Fairfield R. 1, son of Mr. and Mrs. Bernard Sprankle. Sprankle is stationed at Francis Warren Air Base, Wyoming. No date has been announced for the wedding.

Pvt. Charles Hartdagen, son of Mrs. Vincent Hartdagen, Emmitsburg, has graduated from the Ordnance Specialist course at Aberdeen Proving Ground as a track vehicle repairman. He is now in California awaiting embarkation for Japan.

Airman Richard Shoemaker and wife are spending a furlough with his mother, Mrs. Ruth Shoemaker, E. Main St., Emmitsburg.

Sgt. Paul V. Topper is spending a

## Astroth On Hot Hitting Streak

PHILADELPHIA (AP)—Joe Astroth is a red-hot hitter and that's putting it mildly.

The 30-year-old Philadelphia A's catcher has connected for 17 hits in 26 at bats over the past eight games — a torrid .654 pace. He's zoomed his batting average from a mediocre .250 to a respectable .294.

## FURILLO'S HAND IN CAST AFTER FIGHT WITH LEO

NEW YORK (AP)—Brooklyn outfielder Carl Furillo, who suffered a broken bone in his left hand during a scuffle with Giant Manager Leo Durocher yesterday, vowed to "get that guy" the next time he saw him.

Furillo, National League batting leader with a .345 average, had his hand in a cast today. He will be out of action for about 10 days.

"I'll get him the next time I see him," he grunted through his teeth while undergoing treatment in the clubhouse. "The next time we come face to face, whether on the street, on the field or anywhere, I'll let him have it. He'll not get away next time."

### Accepts Challenge

Furillo and Durocher engaged in a brief wrestling match in front of the Giant dugout during the second inning of the Giant-Dodger game yesterday. They grabbed each other around the waist before a blow could be struck and grappled furiously on the ground. They were separated by players from both clubs.

During the tussle, Furillo's hand was stepped on.  
Durocher, unmarked in the fracas, accepted Furillo's challenge with a shrug.

"Just tell him I'll be there," he said.

"I Saw Red"  
The rhubarb began when Furillo was hit on the right wrist by a pitch from Ruben Gomez. He charged out to the mound and made threatening gestures toward the umpires. He finally took his place at first base and calm appeared to be restored when the infuriated Dodger right fielder suddenly made a dash for the Giant dugout. He was met in front of the dugout steps by Durocher and the scuffle followed.

"I heard him (Durocher) jabbering away at me from the bench," Furillo explained. "I couldn't distinguish what he was saying. But when he beckoned to me to come out and meet him, I saw red."

Durocher denied saying anything to Furillo or beckoning to him.

The Boston Red Sox have three men bidding for the American League hitting title—George Kell, Billy Goodman and Tom Umphlett, a rookie.

30-day furlough with his parents, Mr. and Mrs. Jacob Topper. Sgt. Topper has recently returned from a tour in Korea.

A committee of the Emmitsburg Grange consisting of Rev. Philip Bower, Edward Smith, Mrs. Robert G. Fitez and Mrs. Edward Meadows has requested townspeople to aid the Ambrose Cool family who were recently left destitute as a result of the fire which burned their home and all their possessions. The committee requests clothes, blankets, kitchen materials, food and similar materials.

## SOUTHERN GRID SQUADS BUSY

RICHMOND, Va. (AP)—Southern Conference football teams moved into their second week of 1953 practice today by taking inventory of weaknesses found in Saturday scrimmage sessions.

Virginia Military Institute and Washington and Lee, both located in Lexington, Va., scrimmaged each other. Afterwards, VMI Coach John McKenna indicated he was pleased.

W&L mentor Carl Wise made no comment. However, he was bound to be pleased with the performance of Bill Sargeant, a left-handed passer for the Generals, who put on a brilliant display of running and passing from a halfback berth.

Davidson's Wildcats staged an intra-squad scrimmage. Coach Bill Dole liked what he saw and said that offensively the Wildcats are beginning to round into shape, but said the team needs sharpening from a defensive standpoint.

Richmond scored a 9-7 "victory" over Fort Belvoir in a heavy scrimmage with the soldiers. Afterwards, Coach Ed Merrick took his Spider charges on to Fort Eustis, Va., for a one-week stay there before returning to Richmond.

## Improvements To GHS Athletic Field Lighting System To Add Nearly 30 Per Cent More Power

### Finishes Race Towing His Boat

HARTFORD, Conn. (AP)—Ed Cantine is a man who likes to finish anything he starts — like yesterday's 92-mile outboard motor boat race on the Connecticut River from here to Essex and back.

His boat lost two needle valves, its throttle broke, it ran out of gas, he lost his helmet and finally, his crew pit was somewhere else on the river when needed.

So the South Salem, N. Y., man jumped out of the boat and, while swimming, towed it across the finish line.

## 19 ARE KILLED IN ACCIDENTS OVER WEEKEND

By The Associated Press

At least 19 persons have died in accidents in Pennsylvania over the Labor Day weekend as the three-day period headed into its final hours.

Eight of the deaths were caused in highway crashes, two by drownings and nine in miscellaneous mishaps.

Four of the latter were the result of plane crashes. In one, two McKeesport youths were killed when their light plane struck high tension power lines and crashed into the Youghiogheny River at Scott Haven, Pa.

The two victims of that crash were identified as James L. Hurst and Albert H. Heinrich Jr., both 18.

### Second Air Crash

The second air crash apparently occurred Friday night during a rainstorm when a single engine plane plowed into a hill on a farm near Bakersville, Somerset County. The wreckage and the bodies of the two victims were not found until Sunday. The victims were identified as Charles Stegura, 31, of Uniontown, and Peter Bennett, 30, whose address was not learned immediately.

Two-month-old Linda Carol Pankoast, daughter of Mr. and Mrs. Russell Pankoast, of Philadelphia, was killed and seven others—including her parents—injured in a two car crash Sunday near Shenandoah.

Simon Smucker, 20, of Latrobe, died of a skull fracture Sunday after his car overturned near Lig-oner.

Mrs. Sarah Kerstetter, 44, Sunbury, was killed also on Sunday in a two-car crash on Route 122 seven miles west of Shamokin.

Other Deaths  
John Thomas, Pittsburgh, killed Sunday when his car struck a utility pole near Allentown.

Fred C. Royer, 47, of Allentown, was killed Saturday when his car skidded in Upper Nazareth township, near Easton, and crashed into a tree.

Joseph W. Murphy, 30, of Baltimore, Md., killed Saturday night when his empty oil truck crashed through a wire fence and plunged 120 feet into the Bethlehem Steel Co. quarry near Hanover.

Mrs. Rose Bellessimo, 22, of Derry, who plunged from a moving auto driven by her husband early Saturday near Pittsburgh.

John Heggedus, 35, of Central City, Somerset County, was killed Sunday in a crash on the Pennsylvania Turnpike near Gibsonia, Allegheny County. State police said Heggedus, alone in his automobile, was injured fatally when his machine overturned while he was towing another. The mishap raised to 65 the number of traffic deaths on the super highway this year.

### 2 Children Drown

The drowning victims in the state were two Merion Golf Manor children, who went swimming in a reservoir on the Merion Golf club course Saturday. They were Carol Lee Miller, 8, and Neil H. Stetson, 4. Their bodies were discovered Saturday afternoon by police sent to search for the children when they failed to return to their homes for lunch Saturday.

Aram G. Musser, 27-year-old telephone repairman, of Elizabethtown, R. 2, was electrocuted Saturday while working on a telephone line leading to a house trailer near Elizabethtown. Authorities said the accident occurred during a heavy rainstorm and while Musser was crawling under the trailer holding a lead-in wire.

Paul Weber, 15, of Pittsburgh, was killed when his clothing became entangled in the wheel of a farm tractor and dragged him under the machine.

Gettysburg High School's athletic field, which will be the scene of the Warrior's first game Friday evening when Westminster plays here, will have approximately 30 per cent more light than in the past due to improvements made to the lighting system.

Ten new light fixtures—one to each pole—have been added. All of the old reflectors have been refinished, new bulbs added, lenses readjusted and new wiring installed.

The improvements will make the local field one of the best lighted in the South Penn Conference.

Additional improvements have been made including painting of the rails of the stands.

During the past summer Elmer Schriver, of the faculty, took charge of the turf and at present it is in its finest condition. The field was watered periodically and rains over the weekend added greatly in conditioning the field for Friday's opener.

### Ticket Sale Progresses

George Forney, athletic director, said today the sale of reserved seat season tickets is going better than anticipated.

Tickets for the five home games are \$4.50 and may be secured at the principal's office in the high school building. There are many good seats remaining, he pointed out while reminding fans the sale will close after the game with Westminster.

There was no holiday today for the Warrior squad as Coaches Howard Shoemaker and Jack Cervino took full advantage of the cool weather by sending their charges through a brisk workout this morning.

## Adenauer Gets

(Continued from Page 1)

Adenauer votes and, if anything, helped. The crushing defeat dealt the Communists and the right-wing German political parties especially pleased diplomatic experts on Germany.

### Red Chief Ousted

"That's wonderful!" said one official when he learned the chief of the German Communists, Max Reimann, had been toppled.

Dulles' chief aides saw the Adenauer election victory as doing far more than averting the disaster Dulles cautioned against. Even more important, they said, the overwhelming scope of the victory will serve as a powerful, almost unexpected stimulant to pep up the faltering drive toward Western European unity.

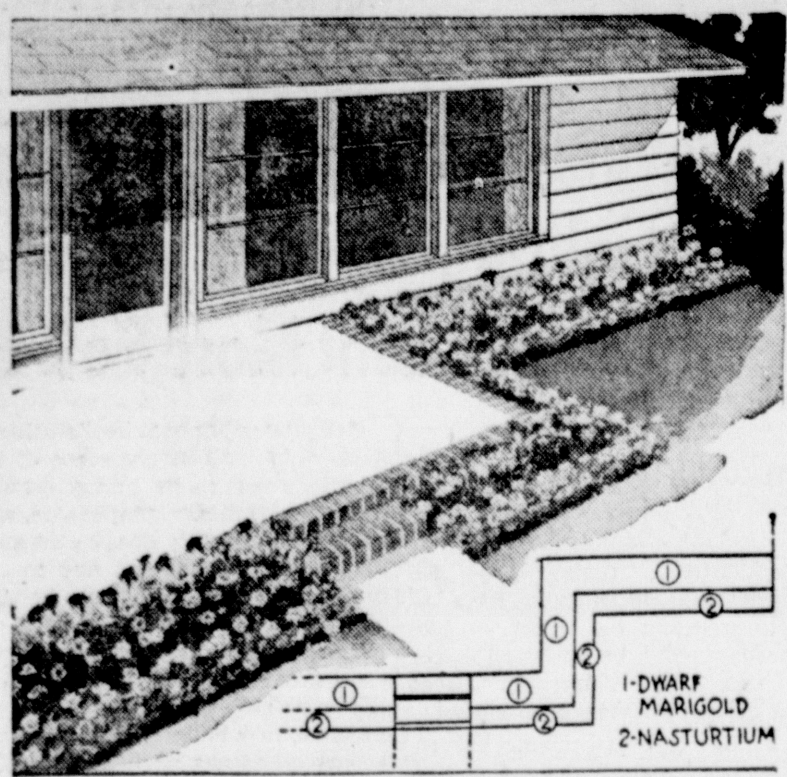

The most far-reaching repercussions should be in France, they said.

The re-election of Adenauer's

## Garden And Building News

### Floral Frame Enhances View Of Modern Home

Simple lines of modern houses call for a decorative setting.

Landscape planting about a house should be a decoration, carefully planned to enhance the beauty of the building, completing an attractive picture as it is viewed from the street.

When tall trees dwarf the house, and over-large shrubs and evergreens hide it and prevent the occupants from seeing out of the windows, the planting has not achieved its purpose.

Examples of such failures are frequently given by modern one-story homes planted with tall shrubs and evergreens.

Only low growing plants should be planted in front of low homes; and the brightly colored annuals of dwarf habit are widely accepted as the most suitable plants for this purpose.

Their color gives a welcome touch, and they leave the view from windows unobstructed. Seed may be started early in seedboxes indoors and grown to a size suitable for transplanting by the time the soil can be prepared.

There are many varieties which will grow quickly from seed sown directly in the border where the plants are to grow, and they will bloom until freezing weather comes in the fall. Besides providing a decoration for the house many annuals are suitable for cutting to be used in the house.

Dwarf double French marigolds for planting as shown in the illustration, come in tones of orange, yellow and maroon, with several two-tone blends of these colors.

Fragrant, dwarf nasturtiums, in various tones of red, orange and yellow—harmonize with the marigolds, and will make a striking frame of bright color to enhance the beauty of a ranch house of grey, blue or brown.

ADVERTISE IN THE TIMES

## On The House

How to save money by spending it is something every householder has to learn by experience.

To be penny wise and dollar foolish in making repairs around your house—or in building a new house—just use cheaper materials. You can save money for the time being by using "just-as-good" substitutes, but when the time comes for replacement you'll be paying a double labor bill for something you could have done right in the first place.

In these days, labor bills are nothing to be sneezed at. Do it yourself, figure your own time and you can understand why.

This applies to almost any material used in or around a house—paint, roofing, plumbing—even the vital drain pipes between your house and sewer, septic tank or cesspool—pipes that protect your family's health by keeping sewer water out of your drinking water.

For example, to have a trench dug from your house to the sewer costs on the average, say, around \$5 per cubic yard for excavation and refilling. This figure is based on a typical cost of \$4 per yard plus a 20 per cent markup. It represents a lot of digging for the amount of pipe to be laid.

The distance from your house to the sewer will determine this labor cost. Supposing it is only 30 feet, and you need a trench 6 feet deep and 2½ feet wide. Your labor bill on this score will run over \$80.

Most of us react to this by getting sore. We'll shave down costs by using substitute materials. We'll use cheapest pipe we can get, which will be terra cotta clay, plastic or cellulose pulp.

However, the sad story is that we'll risk the danger of tree roots growing in between the joints in search of moisture and forming dams that will back sewage up into basement or house. We'll risk disjuncting by pressure of the backfill, weight from a driveway or trucking over the lawn.

What's the alternative? Supposing we make a permanent job of it and spend the difference for cast iron soil pipe? This is a material that has stood up for centuries. It is still in use in the London water supply system and in the fountains of Versailles. It might cost around 82 cents per foot compared with around 32 cents for clay pipe—a difference of \$15 for 30 feet. But we can figure this as insurance—\$15 against \$80 for a repeat performance of the ditch diggers, in which case more labor and more material would be involved in new pipe laying.

Joints in cast iron soil pipe are packed with oakum and sealed with molten lead which allows for flexibility without leakage. No roots can penetrate these joints.

Homer E. Robertson of the Cast Iron Soil Pipe Institute observes that the average family flushes 200 gallons of sewage and dirty water down the drain each day. Even a temporary drainage failure can disrupt a family's living routine. A major breakdown can be a serious health and accident hazard.

## DULLES MEETS EISENHOWER ON FOREIGN POLICY

By MARVIN L. ARROWSMITH

DENVER (AP)—Secretary of State Dulles, declaring he knows of no rift between himself and President Eisenhower, confers with the Chief Executive today regarding a variety of foreign policy problems.

Dulles arrived at the President's vacation headquarters from Washington last night for the Labor Day conference and was asked by newsmen who met him at the airport: "Mr. Secretary, is there any friction between you and the President?"

"Not that I know of," the Cabinet officer replied.

The question was prompted by a published report that Eisenhower summoned Dulles to Denver because he was "gravely concerned" and "displeased" by certain Dulles statements last week on foreign issues.

Called "Untrue"

On Saturday the summer White House called the report "completely untrue." Assistant Presidential Press Secretary Murray Snyder added, however, that the personal did not know what Eisenhower's reactions were to remarks Dulles had made on the issues. They dealt with West Germany, India, Trieste and Japan—and touched off angry criticism abroad.

In West Germany, for example, the Socialist party denounced Dulles' endorsement of Chancellor Konrad Adenauer's bid for reelection.

By the time Dulles stepped from his plane here last night Adenauer had swept to a landslide victory in yesterday's voting.

"I'm not surprised," Dulles commented with a smile.

Dulles did not see Eisenhower last night, but the two men were scheduled to get together today at the President's Lowry Air Force Base office.

Asked what foreign policy problems had brought him to Denver, Dulles replied:

"I have a docket of about 10 matters."

The secretary declined to specify them, but Washington officials have said the main emphasis would be on developments in Indochina and other Far East areas.

The President and his secretary of state have not had a face-to-face conference since Aug. 10, when Dulles stopped here en route to Washington from Korea and Japan.

The President and Mrs. Eisenhower attended 10 a.m. services at the Lowry base chapel yesterday, then were guests at a reception given there by officers and their wives.

It was Mrs. Eisenhower's first public appearance since she went to church with the President Aug. 9, the day after they arrived here for a vacation.

The First Lady has been bothered by Denver's mile-high altitude. Friends have said she was completely exhausted the first two or three weeks of her stay.

PUSAN, Korea (AP)—The United Nations prisoner of war command announced today it will begin tomorrow the transfer of non-repatriated Communist prisoners into the demilitarized zone.

Troops from India will take them into custody under direction of a neutral nations repatriation commission.

Involved are 7,800 Korean and 14,500 Chinese prisoners who insist they do not want to return to Red rule.

## Death Was Only Alternative To "Confession" On Use Of Germ Warfare, Ex-PWs Say

By ROBERT B. TUSKMAN

INCHON, Korea (AP)—A greying Marine colonel and a young Air Force lieutenant said today there was only one way out of "confessing" germ warfare charges—death.

"I could either die from their mental treatment or serve my country better by giving the Communists the fantastic information they wanted," said Col. Frank H. Schwable, who was freed only yesterday from a Red war prisoner camp in North Korea.

"The Chinese gave me a choice of life or death... They put words in my mouth and I said them," said Lt. Floyd B. O'Neal of Fairfax, S. C.

Used Torture

Both had declined to talk with newsmen yesterday when they were freed in the last hours of the Korean War prisoner exchange. Other fliers returned on the final day of exchange said the Reds got the "confessions" they wanted with torture ranging from mental cruelty to letting maggots crawl inside a wounded man's ear.

Schwable and O'Neal met newsmen after a day's rest and described how the Reds relentlessly ground away at their resistance with threats, physical torture and unceasing questioning.

Asked if the charges were true, the 45-year-old Schwable answered: "It is fantastic that anybody could believe that sort of thing could be used. It is utterly fantastic."
